

PODCASTING

We are learning to ...

- Speak clearly and confidently
- Work collaboratively with others
- Connect globally with others
- Share our learning with others

We will know we have achieved this when...

- Our voices are strong, clear and interesting
- We get feedback from around the world
- We communicate with others through our podcast.
- We can take different roles when we make our podcasts.
- We are proud of our podcast and can tell other people about what we are doing and how we do it.

Learning Activities

- Listening to podcasts on the iPod or computer.
- Subscribing to podcasts.
- Giving feedback to other podcasters.
- Link with other schools around the world and share information with them.
- Script and rehearse our podcast
- Make podcasts every week.
